Dear Parents,

The parent-child storytelling

To facilitate parents to read more books with children and share the fun of reading, parents are encouraged to borrow story books from library or school each month and finish the book report. We also welcome parents to record their videos of storytelling at home and submit to school through DVD or USB before 7th January, 2022. The video will be played to children at school. Each student who submits the video, will receive a souvenir and some special presents for good video recording.

Yours faithfully,

Cheng Ka Fung
